ALL WORK IS GUARANTEED FOR ACCURATE COLOR BALANCE AND EXPOSURE

Reproduction quality delivered only on all original slides.If work needs to be reshot due to technical problems that are photographic, there will be no charge. Other problems that arise that are aesthetic in origin should be worked out before the original shoot, ie, background colors, angles, etc, otherwise a charge will be made for reshooting.

The **photographer** agrees to ship artwork within 5-10 working days of receipt of signed contract, non-refundable deposit & art unless otherwise agreed upon. All art & photo work will be shipped together & sent UPS with $100 insurance unless otherwise stipulated. The photographer reserves the right to use any slides or photos taken as examples for advertising purposes only. Negatives remain the property of the photographer. Due to a number of variables, the photographer will refer to previous photo shoots, but makes no promise to match.

The **artist** agrees to pay the balance due, upon receipt of work. Accounts unpaid after 15 days of invoice date are subject to a 2%/month finance charge on unpaid balance, minimum charge $1.00/month. If account remains unpaid, artist must pay all additional costs required to obtain balance due. New accounts will need to be prepaid or shipped COD. Questions or problems arising from the work, must be put in writing and returned to Jerry Anthony Photography within 10 working days of receipt of work, otherwise the photographer assumes that the work was accepted as photographed.

Please use back to describe details of work desired and intended use. Place a dot on the side you desire photographed. When client is not present at photo shoot, the background and angles are at photographer's discretion if not stated otherwise. Sending other slides with comments will help facilitate dialogue with photographer. Please list value of individual pieces on contract or on packing list for insurance purposes while in studio or transit, otherwise a $100/box value will be used. Photographer or shipper company will not be responsible for poorly constructed work or work whose value has been unsubstantiated while in the studio or in transit.
