Tips for a Better Photo Session

- Carefully select items to reflect a cohesive grouping
- Consider background color and make suggestions
- Clean pieces before shipping
- Place sticker on front of piece or bottom with arrow to indicate side to be shot
- Provide thumbnail sketches of suggested set-up
- Send old slides and/or photographs from magazines with notes
- Ship in a box large enough to accommodate slides & work for return
- **Remember to** –
 - specify the number of master slides
 - give exact deadline & shipping method to meet that time frame
 - list insurance values
 - enclose a check or credit card number

When shooting on an artist price rate, 1 background color will be selected for the entire shoot. One angle will be chosen for each item or group. If you wish to see several angles or ideas, there will be an additional charge or you will be charged on a commercial basis. Changes in backgrounds during a shoot will incur an additional charge.

ALL WORK IS GUARANTEED FOR ACCURATE COLOR BALANCE AND EXPOSURE

Reproduction quality delivered only on all original slides & transparencies. If work needs to be reshot because of technical problems that are photographic, there will be no charge. Other problems that arise that are aesthetic in origin should be worked out before the original shoot, ie. background colors, angles, etc, otherwise a charge will be incurred for reshooting.
